

→ Competitive Pay for Your Valuable Contributions

We have a proven track record of providing market-competitive pay, generous pay increases and market adjustments at WWL – Vehicle Services Americas.

Take a look at our track record:

More to know about WWL – Vehicle Services Americas' pay and benefits:

- Minimum starting hourly rate of \$18 an hour with plenty of room to grow (same or higher than similar local jobs)
- Average hourly wage rate increase of more than 26 percent across all groups since 2021
- Company pays 87% of employee healthcare coverage (no premium increases last year)
- Retirement plan with 6% company match
- Employees begin accrual of 48 hours per year of paid personal time and two weeks' paid vacation time after just 90 days
- Discretionary bonuses of up to two weeks' pay, payable to all eligible employees based on the company performance and the amount of time you are with the company
- Life Insurance that is two times base salary and 100% paid for by the company
- Long-term and short-term disability 100% paid for by the company

While we can't predict future pay increases or bonuses, our track record shows you don't need a union to receive competitive pay and great benefits.
